

# OUT AND ABOUT IN HORSHAM

Horsham boasts all the names you'd expect of a bustling town, including Next, M&S, Jigsaw, TopShop, White Stuff, Boots and more, most of which are situated on calm, pedestrianised West Street. There's also a thriving bar and restaurant scene, with old favourites like Pizza Express and Wagamama rubbing shoulders with unusual independent offerings. One thing's for sure, you'll never be bored.

## KOKORO

Here's something you might not expect, a Sushi and Bento bar in the heart of West Sussex! Kokoro prepares all its food on site and sells immaculately presented sushi and sashimi, as well as soups, hot food and side dishes. There's a cute seating area with simple wooden furniture and benches. A little taste of Japan in the midst of Sussex.

## BETWEEN THE LINES

Every town should have a well-stocked gift shop, but this is something else. Packed with lovely greetings cards, it's also overflowing with present ideas. There are Inis health and beauty products infused with seaweed extract, L'Occitane creams and soaps, cookbooks, glassware and jewellery. A town centre gem.
