

Haddon Green Development update

Issue 1 | Summer 2024

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

Haddon Green is part of a larger consortium development, Great Haddon Wood, a large parcel of land undergoing a significant program for new homes and building a new and thriving community with sustainability as a key part of this focus.

Phase 1 of this development built by Linden Homes consists of 88 homes including a collection of 1, 2, 3, 4 & 5 bedroom homes.

The scheme at Great Haddon, which also includes plans for a new primary school, playing fields, local centre and community building, is part of the wider 5,350-home Great Haddon sustainable urban extension of the south west of Peterborough, next to the village of Yaxley.

Site activity

- The main boulevard at the front of the development is now open.
- All mains have now been installed and the sub station and pumping station are now live.

Timeline

- First homes released for sale in April 2024.
- First completions are expected in Summer 2024.
- The Sales Centre opened to the public in April 2024.
- There is no show home currently at this development.
- More information about the development can be found here:
<https://www.lindenhomes.co.uk/developments/cambridgeshire/haddon-green>

Ecology

The Biodiversity Strategy has been developed to provide biodiversity opportunities and enhancements within the development.

Our strategy includes creating of new habitats at this development, including:

- New wildflower and wetland meadow areas and tree and hedgerow planting;
- New hibernaculas for reptiles;
- New barn owl boxes.

Acknowledging the scale of this development, we have an ongoing ecological monitoring and reporting systems in place.

In addition to our efforts on site, we are contributing towards the District Licensing Scheme for Great Crested Newts to create or restore pond habitat within the local area.
