

## Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

## Overview

Summary of what's being built:

- 305 homes across the whole development with 105 by Linden Homes.
- Out of the 105 Linden Homes, 28 are for open market sale, 41 for shared ownership and 36 for affordable rent.
- Public Open Space and play area.
- Attenuation basins
- EV charging to all plots
- Photovoltaic panels.

## Site activity

- Works are completed to the main entrance into the development.
- All roads and sewers are complete.
- All foundations and piling works are complete with several homes at various stages of build.
- Construction works on the Linden Homes phase are scheduled to be complete during Spring 2026.
- The remaining affordable and shared ownership plots are scheduled to be handed over to Onward Homes during Spring 2026.
- Private sale plots are also being occupied.

# Timeline

- Occupations continue to take place on the wider development.
- First Affordable completions by Linden Homes took place at the end of March 2025.
- Sales centre is open. The marketing suite can be accessed via the main site entrance facing London Road.
- Construction of roads and sewers are complete across the Linden Homes site.
- Construction of all the foundations and piling works are complete across the Linden Homes site.
- Installation of mains services across the site is ongoing.
- Soft and hard landscaping to plots and along the streets has commenced and will be completed prior to handover of adjacent units.
- Gaw End Lane stopping up and diversion has been completed.
- First open market private sale occupation took place in June 2025.

# Ecology

- Planting of new trees within the Public Open Spaces will contribute towards forming new habitats for birds and other wildlife.
- Introduction of bird and bat boxes will help aid in the conservation of nocturnal creatures, playing a vital role in maintaining a balanced urban ecology
