

# Hatter Chase Development update

Issue 1 | Spring 2024

## Keeping you updated

Now all the homes have been sold, we wanted to provide you with an update so you're aware of the final stages as we hand the development over to the managing agent and the roads are adopted.

### Overview

The development will include:

- A mixture of private and affordable housing comprising a total of 74 units.
- Public Open Space and play areas included within public areas in phase 3 and 4.
- Photovoltaic panels are included on all plots

### Site activity

- Roads and drainage are largely completed.
- Foundations and substructure to the housing plots have started.

### Drainage and Services

Mains drainage and services are programmed for installation Autumn 2024.

# Timeline

- Important dates: first completions will take place upon completion of the service connections.
- Show home and marketing suites are almost completed although will be opened upon installation of live services and drainage.
- Opening date of play parks, larger area of POS areas will be completed and opened after completion of the main site construction.
- Roads and footpaths are almost constructed and will be completed once the housing phases are completed.

# Ecology

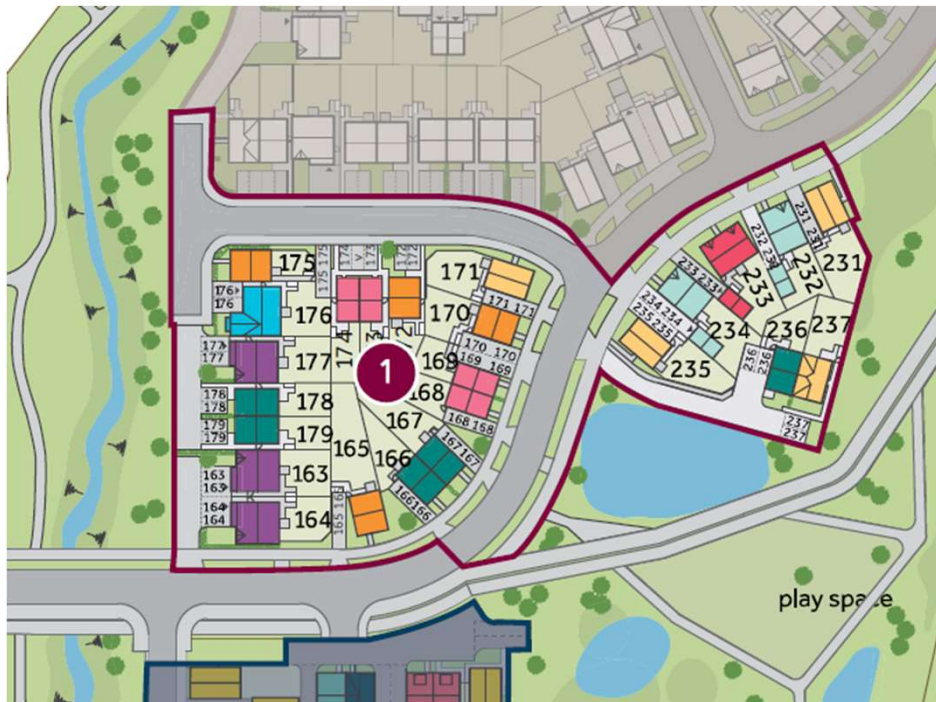

- Protected species are not currently located on Hatters Chase, however periodic reviews are undertaken to ensure that Vistry comply with any ecological requirements and responsibilities.
- Trees within the project are protected and managed
- Local water features such as ponds and brooks are maintained as required under local authority requirements.

# Managing agent

- The managing agent for the Sandymoor project is Firstport. The responsibilities are maintenance of non-adopted public areas such as public open spaces and play areas including grass cutting and general maintenance.
