Who Are Trustgreen?

As one of the UK's market leaders in open space management, Trustgreen has been appointed by your developer to take care of the landscape environment and other features on your development that are not maintained by your local authority.

Trustgreen will take on the responsibility for Management, Monitoring and Maintenance of these areas as soon as various elements are completed

We will provide you with a year-round service that is designed to help secure the long-term attractiveness of the development.

To deliver this service, Trustgreen will charge each homeowner an equal share of the annual management cost, known as the annual management fee.

This obligation is covered in the title deeds of your new home. The initial forecasted annual fee agreed is provided in our fee matrix.

This figure may be increased each year in line with retail price index (RPI) from when our services were agreed or from a the date listed in your legal documents.

Once Trustgreen begin to manage the open space, the annual management fee will then be calculated from the anticipated management cost for that year.

If you would like to discuss in further detail or if you have any questions please call 01829 708 457 or email enquiries@trustgreen.com and we will be pleased to help you.

FAQs

Who are Trustgreen?

As one of the UK's market leaders in Open Space Management, Trustgreen have been appointed by your housing developer to look after the landscape environment on this development.

Why do we need to pay Trustgreen to look after our Open Space?

As part of the Planning Application that was submitted prior to the commencement of your development, your developer worked closely with the Local Authority to ensure that you were provided with valuable amenity land to enjoy together with your new home. During this process Trustgreen were appointed as the Managing Agent responsible for providing this service.

Will my Annual Management Fee increase yearly?

The Annual Management Fee is linked to the RPI index meaning it may increase if required in line with inflation.

What is the Annual Management Fee?

When you purchased your property the sales team will have informed you of the Management Fee and that you would be responsible for paying your equal share.

The Annual Management Fee is based on the yearly costs required to maintain your development divided by the number of plots. A breakdown of these costs are identified within our Fee Matrix detailing how the individual activities have been allocated.

Can I see a breakdown of how my money will be spent?

Our Fee Matrix is based on the budget for the management and maintenance of the amenity land for the next 12 months. At the end of the first year we will be able to provide you with a set of abbreviated accounts confirming the monies spent.

FAQs

How can I pay my Trustgreen Annual Management Fee?

We will issue you with an invoice for your share of the management and maintenance costs when the Open Space is complete. You can then pay this by either BACS (via your online banking facility), direct debit, by cheque or by standing order. You also have the option to make payments, monthly, quarterly or annually. Please remember to use your unique TG reference number, this can be found on the top of your introduction letter and invoice.

What maintenance work are Trustgreen responsible for?

The maintenance work we are responsible for will involve mowing/strimming grassed areas, shrub & tree pruning, litter picking and weed spraying (where necessary) along with maintenance of infrastructure including storm water drainage. We will also carry out an annual inspection of the key features within your development and these will form part of our annual Health & Safety report.

Which parts of the development will Trustgreen maintain?

The areas of open space within your development that we are responsible for will be identified on the site plan to be provided. It includes a wildlife habitat area to the north and acoustic fence, substantial drainage features and extensive play and recreation areas.

How often will Trustgreen visit our development?

Trustgreen carry out a comprehensive year-round service, based on 20 site visits per annum, twice a month March – October and once a month November – February. We also provide emergency cover in the event of flooding.

What if my question is not covered here?

Please give us a call or alternatively send us an email quoting your TG reference number, this can be found on the top of your introduction letter.
