

Bluebell Lawns & Buttercup Mews - Sherford

Development update

Linden
HOMES

Issue 2 | Summer 2024

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

Summary of what's being built:

- Bluebell Lawns:
116 homes, including 24 affordable units
- Buttercup Mews:
163 homes; including 33 affordable units
- Part of the wider Sherford town and facilities
- Orchard & allotments as part of the wider development

Site activity

- We are currently in line with our anticipated program.
- The material compound and offices are being moved to the area near the Orchard.
- Parcel 1 – foundations are starting in June.
- Parcel 21 & 22 foundations are in.

Specific item –

- Nimbus Road is due to open at the end of July .

Timeline

Bluebell Lawns -

Parcel D

- Parcel D is on program to be completed by the end of June 24, with a timber fence line running adjacent to plot's 348, 314-319 for security and H&S.
- 314-319 street scene is now completed.

Parcel H

- First completions on parcel H are due in June 24.

Parcel I

- Superstructures are due to commence on parcel I in September 24.
- Moving of the material compound and offices to a new area will allow the piling to commence on the foundations of parcel I in June 24.

Buttercup Mews -

Parcels 21, 22 & 25

- All foundations are now in for homes being built in Parcels 21 & 22.
- Works to Parcel 25 are due to commence in June 24.

Ecology

- Swift boxes and bat tubes located across the site
- Hedgehog passes' will be incorporated into close board fences
- Pollinate in Partnerships - Through collaboration with the Bumblebee Conservation Trust and Pollenize, Pollinate in Partnership seeks to increase the number of wildflowers across our developments to help create beautiful places for our people and its wildlife, ensuring we develop lasting communities.

Managing agent

The managing Agent for Sherford is Trinity Estates. Key responsibilities include:

- Carrying out health & safety and fire risk assessments.
- Organising contracts (such as grounds maintenance).
- Carry out maintenance and other related property services. *Each phase of development will be handed to Trinity Estates 6 months from the final home completing.*
- Follow best industry practice signing a contract with and being accountable to company.

Services

- Gas & Electric - The initial billing of Gas and Electric will be through British Gas
- Water – Water billing mains water supply and sewerage will be through South West Water
- Fibre – Your home has an Openreach line terminating in a network termination socket. Contact your chosen landline/Internet service provider for this to be activated

Development layout plans

How will the development benefit the local community?

As part of the wider development, the Consortium will also support the local community by contributing towards/providing the following:

- 'Major Works' Contributions to the council so far totalling £4.5 million.
- £300,000 contribution towards the North Elburton Cycle Connection
- £175,000 contribution towards the Saltram Link
- £500,000 contribution towards local Recycling facilities

We will also be providing:

- New primary & secondary schools
- New Doctors Surgery
- 500 Acre Country Park
- New Town Centre, including shops and other facilities
- New play parks, a skate park and outdoor sports pitches

Please be aware that the dates and information provided are correct at time of print and are dependent on a number of factors, including weather, so are subject to change.
