Supporting the Local Ecology

Our wildlife residents are just as important to us as the human ones. Take a look at how we are supporting natural diversity and ecology across Boorley Park ...

- We are committed to supporting our wildlife residents and are proud to be contributing £291,000 to support nature conservation across a number of sites of importance for nature conservation(SINC). This sum will go towards ecological monitoring & management of the Highland Lane Woodland area & Pylands Lane Woodland & open space.
- We have planned plenty of informal and areas of semi natural areas & provided protected green open space & semi natural areas throughout the development providing nature highways
- We have committed with the Council for tree preservation & maintenance across the development and to cover adjacent land.
- Our homes have been designed with Hedgehog highways and bird and bat boxes, providing some of Britain's most well-loved natives habitat. In addition, we have contributed a further £6,600 to assist in the creation and protection of habitat for Bats within the nearby Manor Farm Country Park.
