Education for everyone

Families who choose to live in Whiston will find everything they need to support their children’s education within easy reach, from highly sought-after schools to world-class universities.

For little ones, Sandfield Natural Play Centre, right on Lickers Lane, provides a caring and stimulating nursery

environment. Just around the corner, St Leo’s and Southmead Catholic Primary School (rated ‘Good’ by Ofsted) and Whiston Willis Primary Academy (rated ‘Outstanding’) offer great options for younger students, making the school run quick and easy.

Older students have excellent choices too. Rainhill High School, just six minutes away by car, is a highly regarded secondary school,

while Carmel College, an ‘Outstanding’ sixth form 10 minutes away in nearby St Helens, helps students take their next step with confidence.

Leading universities are also close by, making it possible to seek further education close to home. The University of Liverpool is just over a 20-minute drive away and the University of Manchester is under 40 minutes by car or just over an hour by train.

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions

An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living.

With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on bedroom 1 and en suites has given the homes added desirability.

Many of the properties include French doors helping to bring the outside in and enhance the gardens as an extended living area.

Firm foundations means peace of mind for you

When buying a new home, you want to be sure you can trust your builder. Choosing a Linden home gives you the peace of mind that comes from choosing a company that has been building some of the **best homes in the UK for more than a hundred years.**

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Linden home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.
