

# Unique specification

Part of the excitement of buying a new home is the thrill of being the first person to live in the property and having a brand new luxury kitchen and modern bathroom.

Our premium brand partners ensure that all of our fixtures and fittings comply with the latest Government building

regulations and only branded appliances are installed in your new home.

The availability of some items is subject to the stage of build, but our sales consultants will be happy to provide guidance every step of the way.
