Linden
HOMES

Welcome to Freight Village

This exciting new development is set in thriving Gateshead, not far from the Tyne Bridge, which connects this bustling town with the vibrant city of Newcastle.

At Freight Village you can choose from a selection of 2, 3 and 4 bedroom homes.

Each one is designed to meet the demands of modern lifestyles, and sustainability is at their heart with electric charging points included and a district heating network to all homes.

Getting around

Freight Village is located, being less than 5 minutes' walk from a Metro station, and just a 5 minute walk from the River Tyne. It's also less than 10 minutes from junction 69 of the A1, for journeys to Sunderland, Durham and beyond, heading north, and Newcastle and Northumberland, going south. Newcastle city centre is just a short walk over the Tyne Bridge. For rail travel, Newcastle station is around half a mile away, for services to Darlington, Durham, Edinburgh, York and London King's Cross.

A trip to the shops

Shopping options are plentiful at Freight Village, whether you want to pick up some essentials or are looking for some more extensive retail therapy. Gateshead high street is around a mile away and has a range of shops, from independents to household name retailers. Newcastle's Metrocentre, meanwhile, is just a 13-minute drive, and as the UK's second largest shopping centre has more than 250 stores, with a good range of cafés and restaurants too.

Taking time out

Those looking to eat out will find the local scene rich and eclectic. The upmarket Six at the Baltic rooftop bar and restaurant has panoramic views of Newcastle and Gateshead. And just a short walk over the Tyne Bridge, Newcastle's Quayside is home to a selection of independent restaurants, including the Michelin-starred House of Tides.

For leisure and pleasure, options are plentiful. Live music venue The Glasshouse and the nearby Vue Cinema are ideal for indoor entertainment, while outside, Saltwell Park has 55 acres of gardens and woodland to explore. For sports fans, Gateshead International Stadium also has a selection of world-class sporting facilities. Newcastle city centre is home to leisure attractions of all kinds, including parks, museums, arts and music venues.

Education

Parents will be pleased to find a good selection of schools for all ages, including St Joseph's Catholic Primary School, located less than a mile from home.

For further education, Newcastle College is around two miles away and offers a wide range of courses and apprenticeships. Those seeking higher education options will not have far to go, with Newcastle and Northumbria universities both within easy reach of Freight Village.

The site plan shown on this page has been produced for home identification purposes only and is not to scale. The development layout, landscaping and tenure of all dwellings may be subject to change throughout the course of the development. Homes shown as "pre sold" and other properties sold on the general market may not be sold to individual owner occupiers and may instead be transferred to other purchasers, including private investors or affordable housing providers. As partner arrangements are agreed, the mix of tenures across a development can change significantly and rapidly. Finishes and materials may vary from those shown. Please check the details of your chosen plot and house type with the sales consultant. Development layout plan correct at time of production.
