

Your opinions matter and we will work to ensure they are taken into account wherever possible.

We are aiming to submit our Reserved Matters planning application in due course to Wealden District Council, and all site neighbours will be notified once the application is submitted.

If our Reserved Matters application is approved and any planning conditions are discharged, we would look to commence building the new homes as soon as possible.

Linden Homes, as part of Vistry Group, operates under a Considerate Contractors Scheme and the overall construction period on a site of this scale would be expected to take around 2-3 years.

Linden is fully committed to working in partnership with the community, and we welcome your feedback and would like to know your views.

You can also find the details on our website:
